

## What is FreedomSong Productions?

*FreedomSong Productions, a ministry for God and Country, bring exciting, fast-paced programs that compliments civic and community events as well as the church. It serves to reestablish the premise for those who experience a FSP program that America's greatness was founded on the principles that Americans have freedom of religion, not freedom from religion. Our country's heritage and laws were birthed from the foundations of a recognized belief in a sovereign God and the statutes set forth in His Word. A primary goal of FSP is to bring back to the attention of our land that America was founded as a Christian nation.*

*FreedomSong is a patriotic and tasteful combination of music and multi-media presentations. The varied styles and arrangements will appeal to all ages and genres.*

## Why FreedomSong Productions?

*America stands at a crossroads. With the eviction of God from the classroom, public life and even some churches it is past time for us to take a stand and say, "No more". Patriotism is no longer taught in our schools. The Ten Commandments have been removed from many public buildings. FSP brings messages of freedom and victory in both Christ and our nation. With a mixture of Christian patriotic and gospel music FSP calls us to take a stand for Christ and the nation that He has so bountifully blessed.*

## Who is FreedomSong Productions?

*FreedomSong Productions is the fulfillment of a calling placed on the heart of John Moody.*

*John served this country for eight years in the Air Force Reserve. He also had the privilege to travel and sing to our troops now serving in the war torn country of Iraq. John has been involved in the music ministry for the past 20 years, traveling the country with his family, The Moodys.*

*John brings a passion for his Savior, his country and it's music to this program. His talent and energy will speak for itself. For an exciting time of worship and love of country don't miss John as he draws audiences first to their feet and then to their knees in this exciting and moving production of Let Freedom Ring!*
