

In March of 1992 there appeared on the scene of gospel music a group of individuals who were destined to leave their indelible mark upon the hearts and lives of thousands across the United States.

Knowing the need for their unique style of ministry, the Lord placed them all together in one family called *The Moodys*.

John has been singing gospel music most of his life.

Starting at the age of six when he was placed on a chair so that he would be as tall as the rest of the “men” he filled in for his dad’s quartet in singing “I’ll Fly Away” in church. From then on he was hooked. It was seven years later when the Lord placed the call on his life to use this love of gospel music to minister to others.

Bringing a young and energetic sound to the group is Bethany. Bethany has been blessing hearts around the country since she was two. Combining her wonderful talent with a sweet and tender charm, Bethany has garnered a large number of fans who have been touched by her kind and warm spirit as well as her side splitting humor.

Growing up fast in the ministry and endearing himself to folks all over is Thomas. Being multi talented with both vocals and trumpet Thomas adds a unique dimension to this family’s ministry. Over the years the two oldest children Crystal and Robert have moved on to other careers and college.

Along with John’s wife Debbie, *The Moodys* are dedicated to ministering the love of Jesus Christ to families in a time when families are constantly under attack.

Skillfully blending gospel music with family entertainment, *The Moodys* have become favorites at concerts, county fairs, picnics and churches across the country. “We’ve received cards and letters from all over the country saying, ‘I’ve never had that much fun and cried so much,’ ” says John.

Over the years *The Moodys* have recorded many songs that have become highly requested every time they arrive in town. Among those are songs like the timelessly classical “*Elijah*”. Springing from a rich patriotic family history, songs like “*If I Die Before You Wake*” has stirred the hearts of our countrymen from shore to shore. “You’re the Only Little Girl In My Heart” will move the hearts of parents everywhere.

Texas has long since been known for its many sons and daughter who have made their mark in gospel music. Once you experience *The Moodys* you will agree that God has sent one more gift from *Deep In The Heart Of Texas!*
